LAB 06 SOLUTION

Nexus Repository — Final Submission Evidence

Student Name	sumaira yasmeen
Registration Number	2023-BCS-086
Course / Section	Devops/Section A
GitHub Username	sumairamalik6868
Submission Folder	DevOps / Labs / Lab06

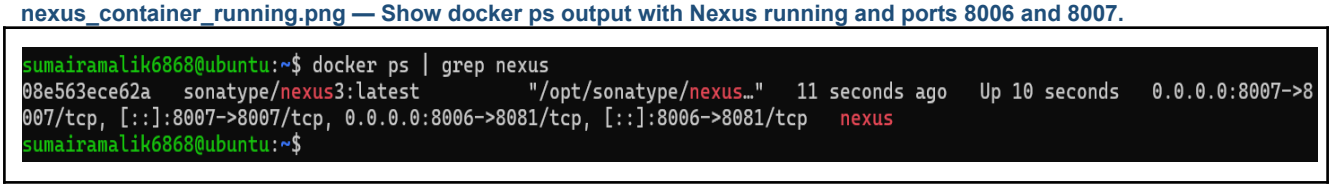

Submission

Devops lab directory URL

https://github.com/sumairamalik6868/DevOps/tree/main/Labs/Lab06

Evidence Screenshots

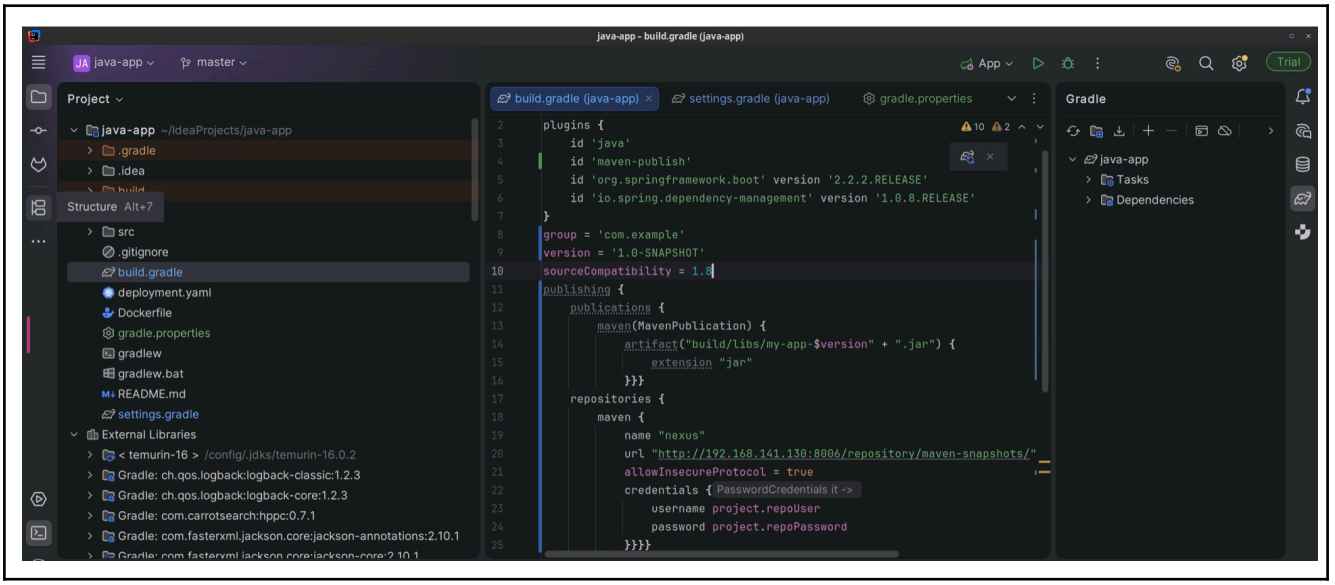

nexus_container_running.png — Show docker ps output with Nexus running and ports 8006 and 8007.

nexus_user_access.png — Show authenticated Status API request and HTTP 200 response; do not show password.

gradle_nexus_configuration.png — Show build.gradle publishing and repository configuration plus settings.gradle; hide credentials.

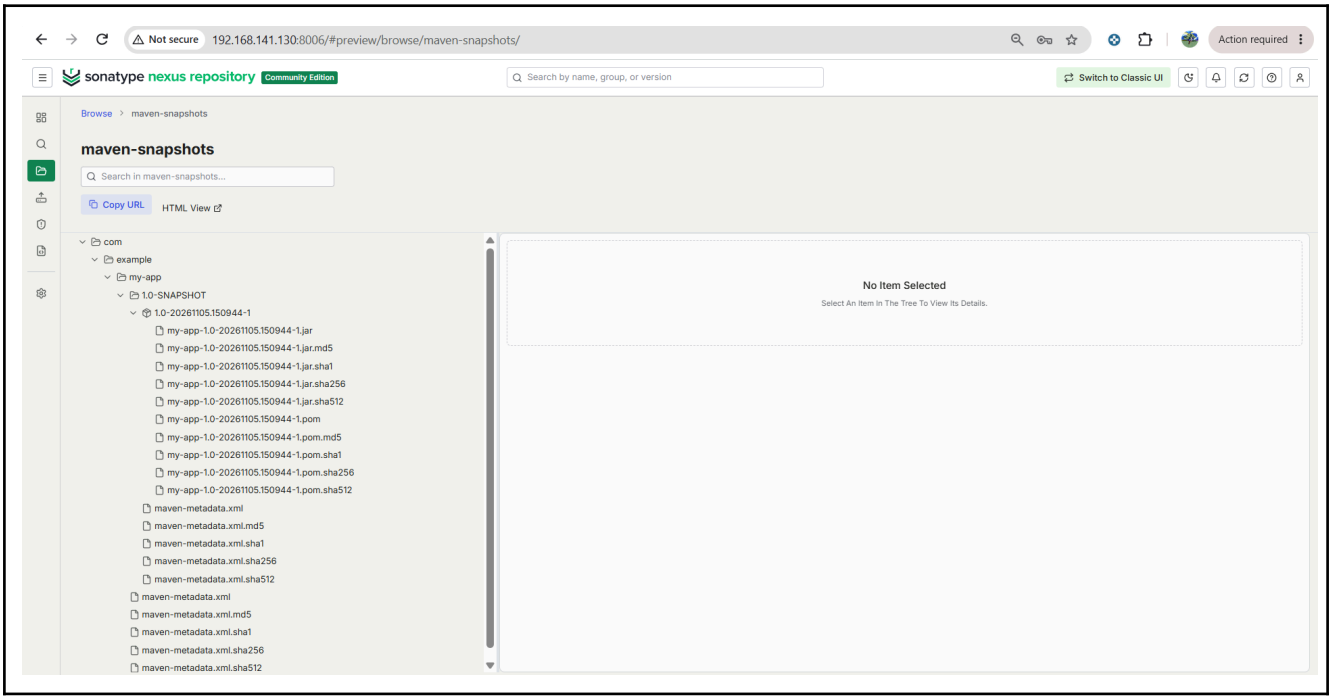

gradle_nexus_build.png — Show Gradle clean build success and generated snapshot JAR.

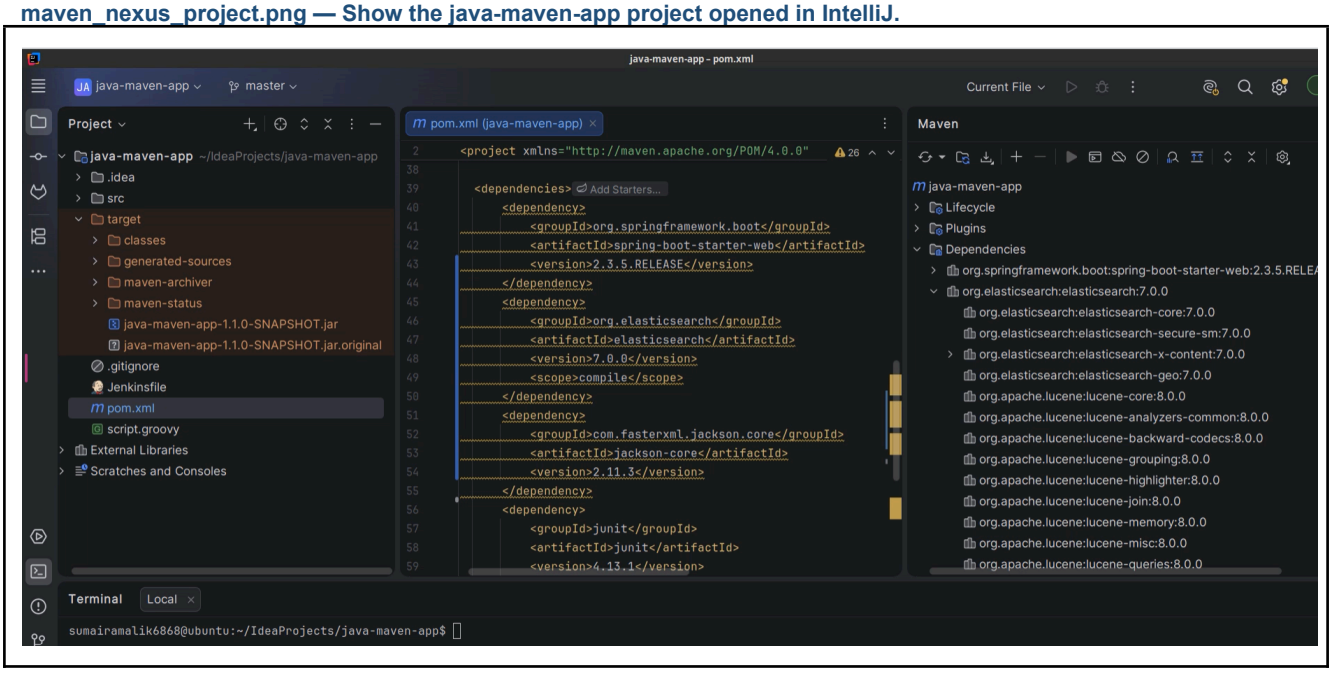

gradle_nexus_publish.png — Show Gradle publish command and successful result.

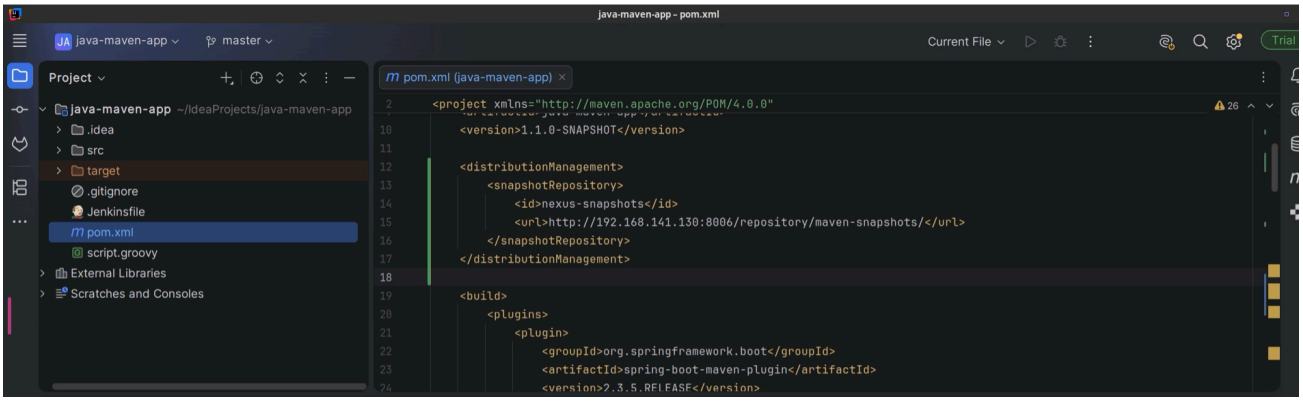

nexus_gradle_artifact.png — Show the published Gradle snapshot JAR and metadata in Nexus.

maven_nexus_project.png — Show the java-maven-app project opened in IntelliJ.

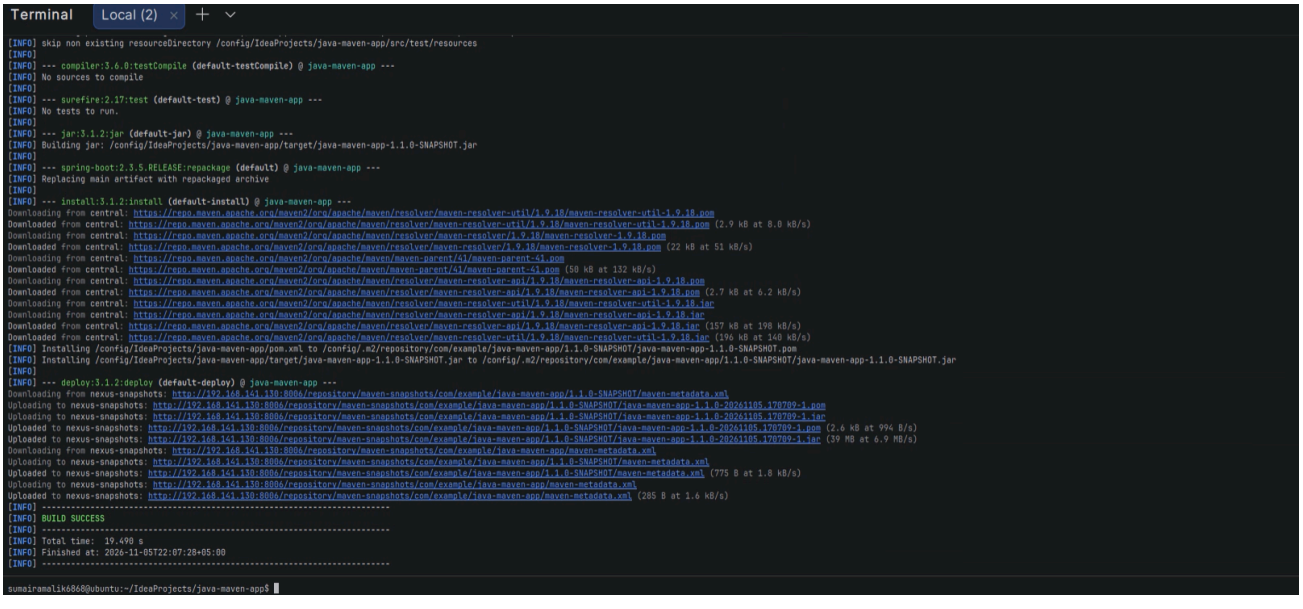

maven_distribution_management.png — Show the distributionManagement block in pom.xml.

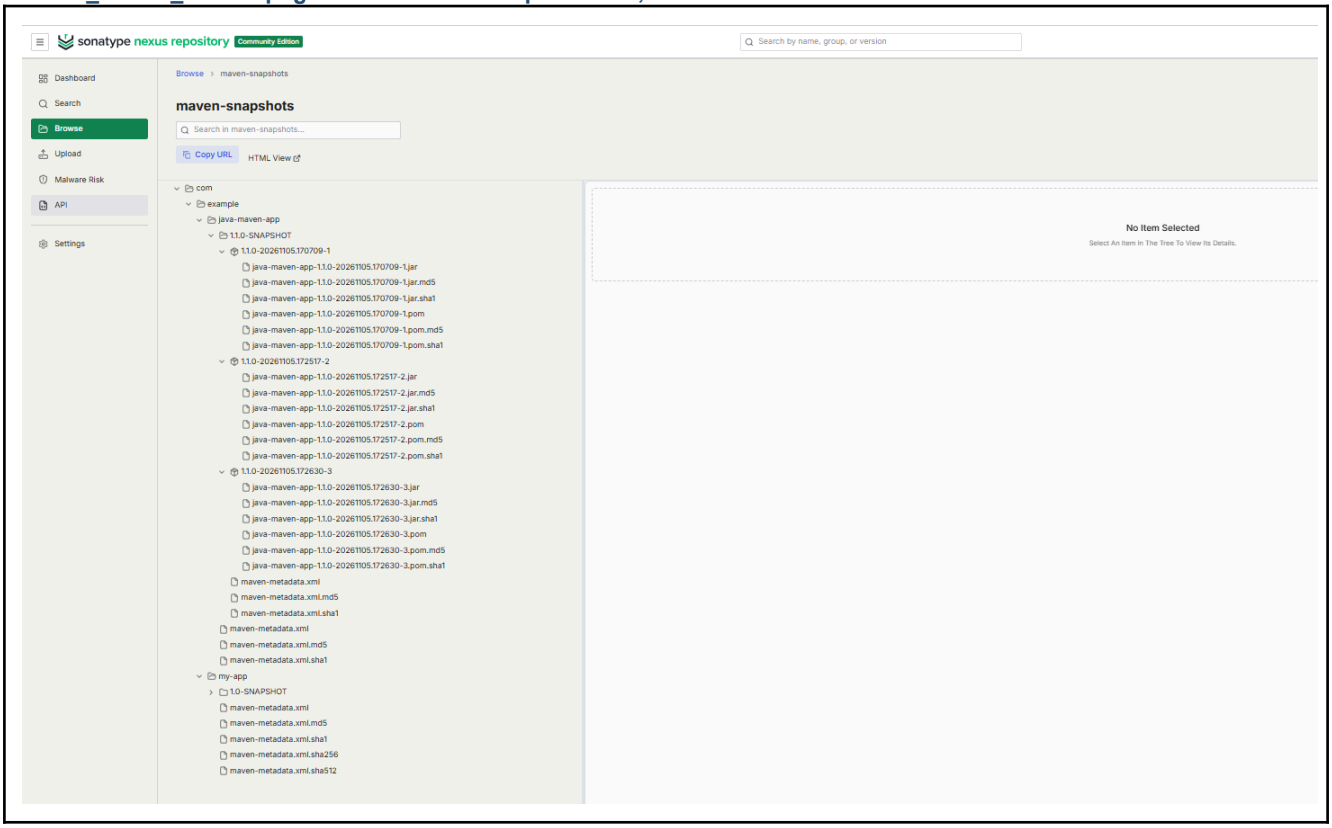

maven_package_nexus.png — Show mvn package success and generated snapshot JAR.

]
sumairamalik6868@ubuntu:~$
```

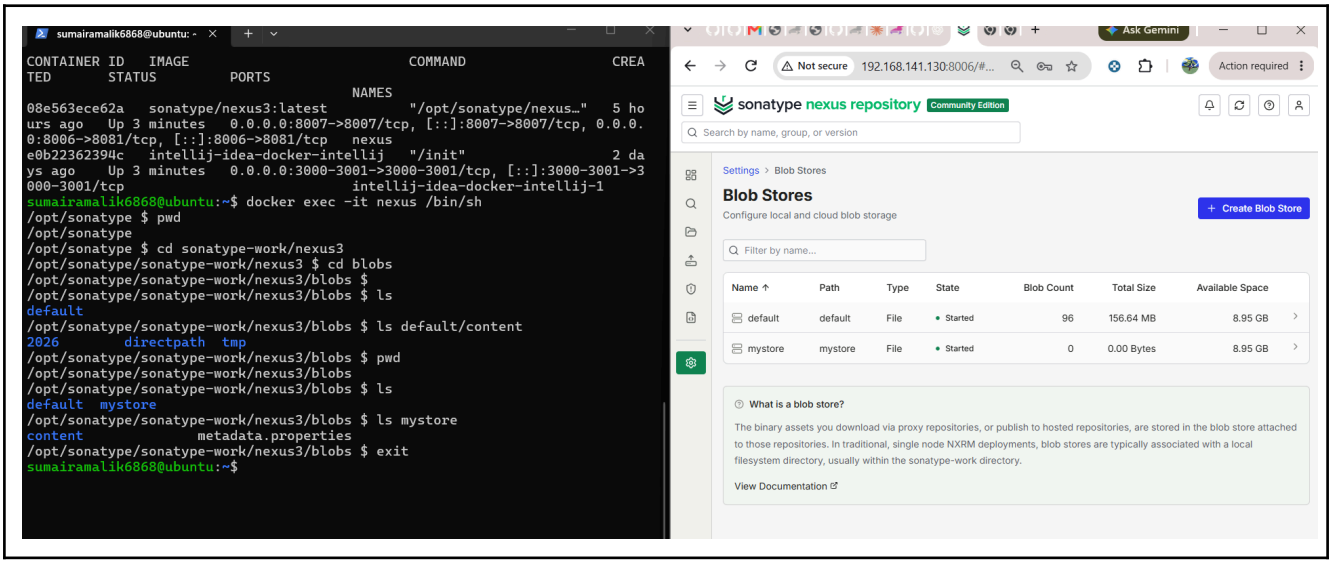

nexus_component_details.png — Show component details retrieved using the selected component ID.

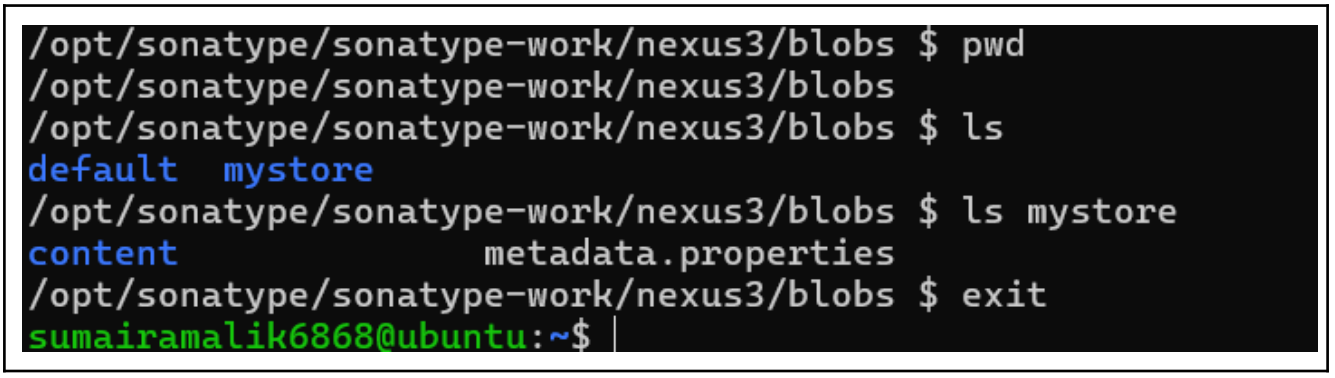

nexus_default_blob_content.png — Show default blob content directory inspection from the Ubuntu terminal.

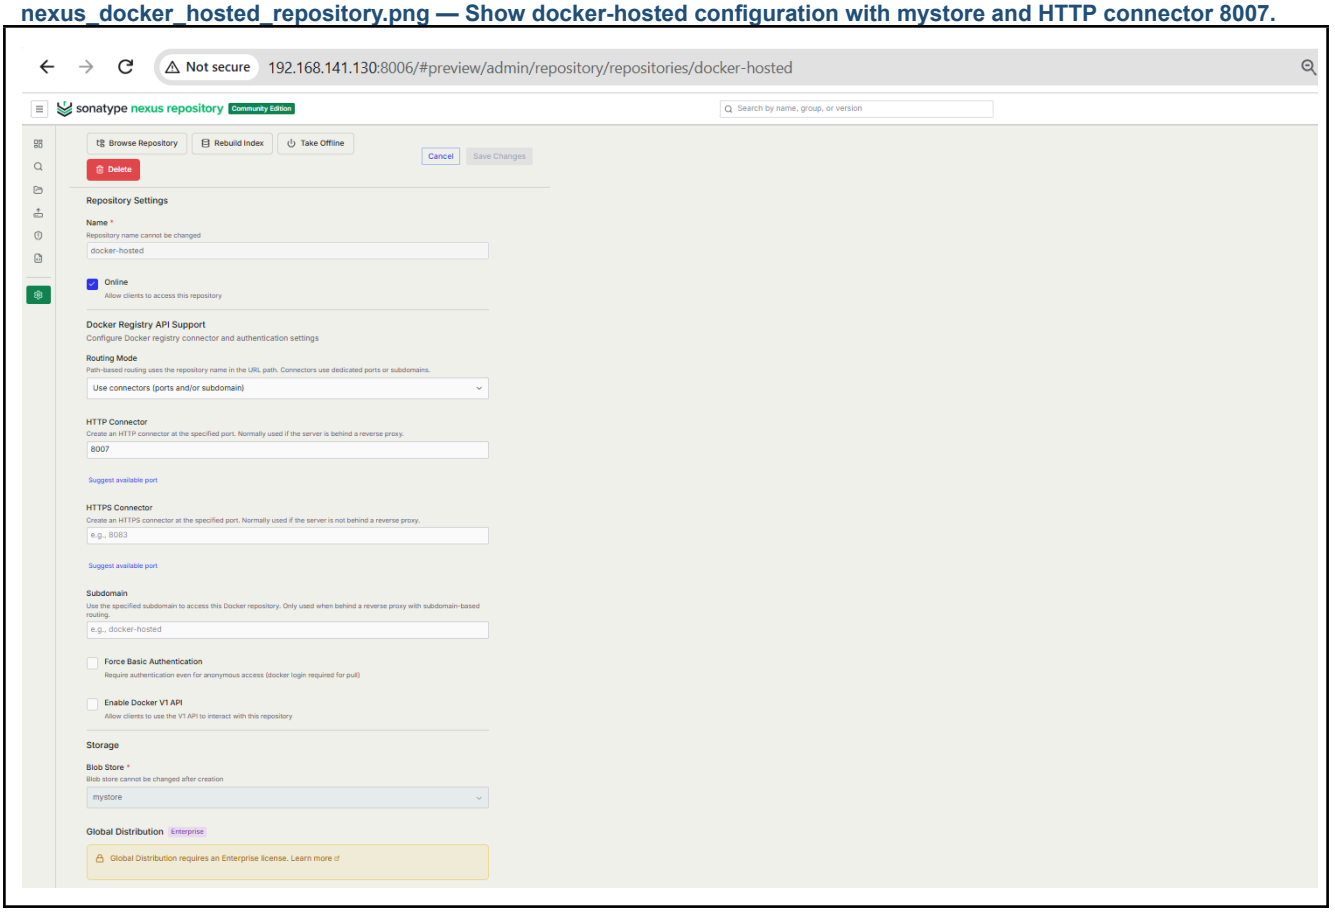

nexus_mystore_created.png — Show default and mystore blob stores in Started state.

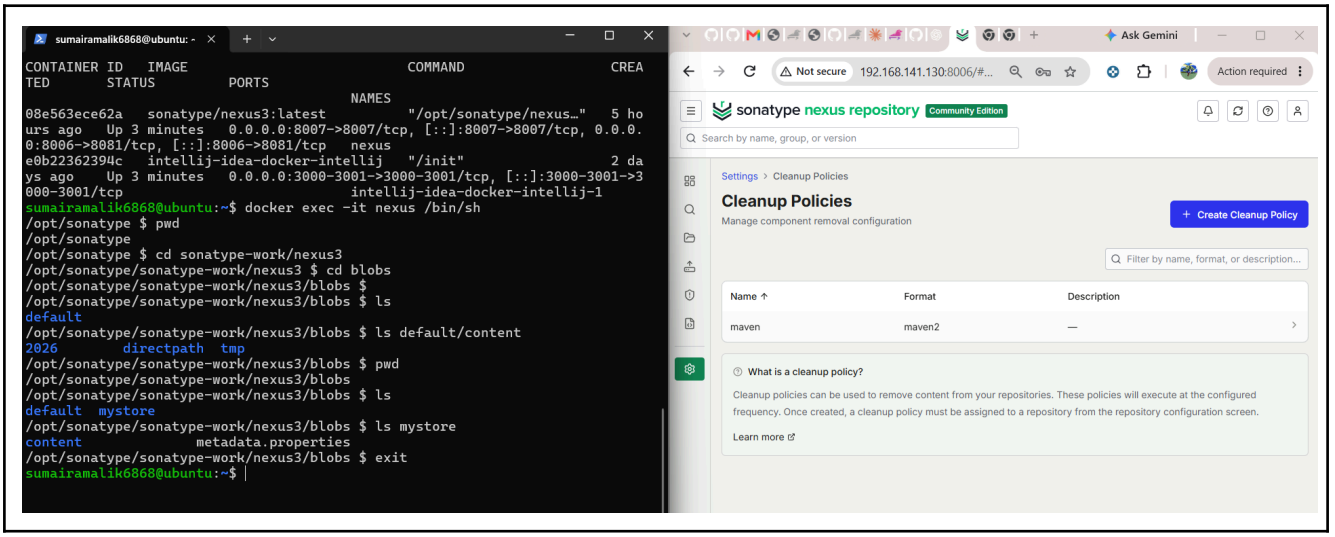

nexus_blob_directories.png — Show default and mystore directories inside the Nexus container and Ubuntu prompt after exit.

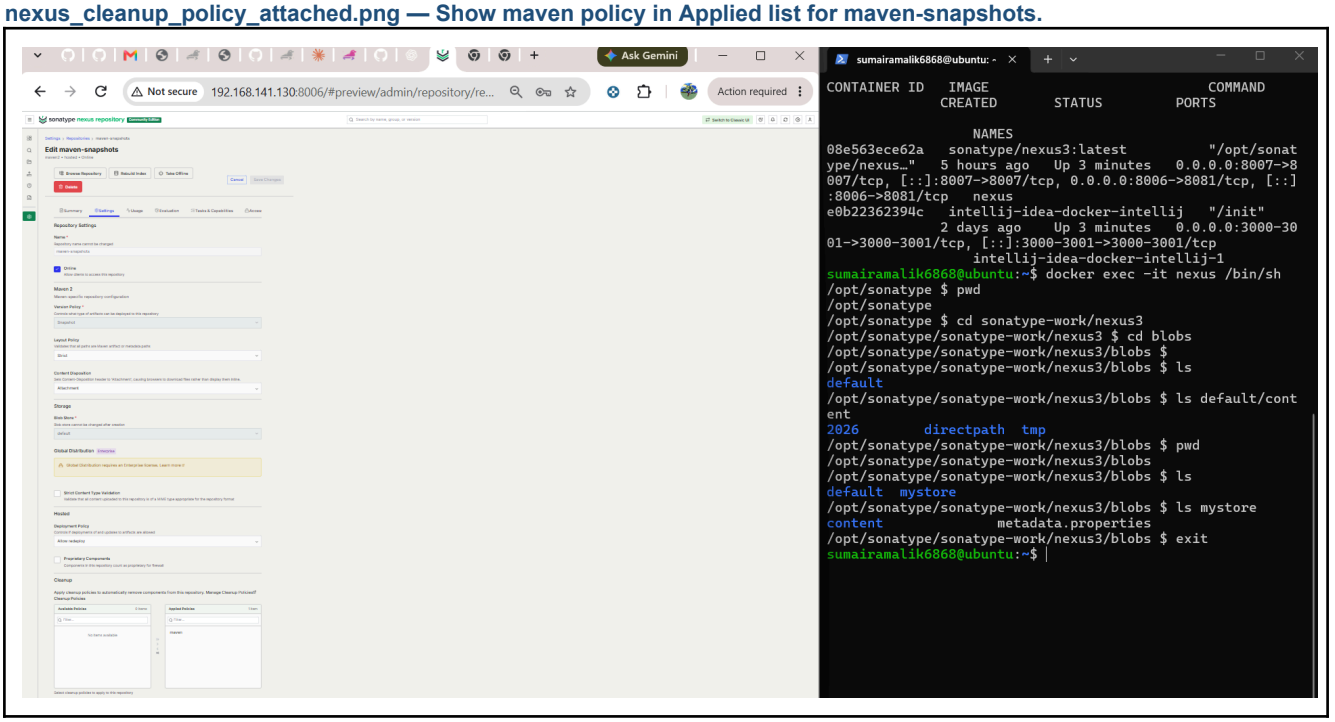

nexus_docker_hosted_repository.png — Show docker-hosted configuration with mystore and HTTP connector 8007.

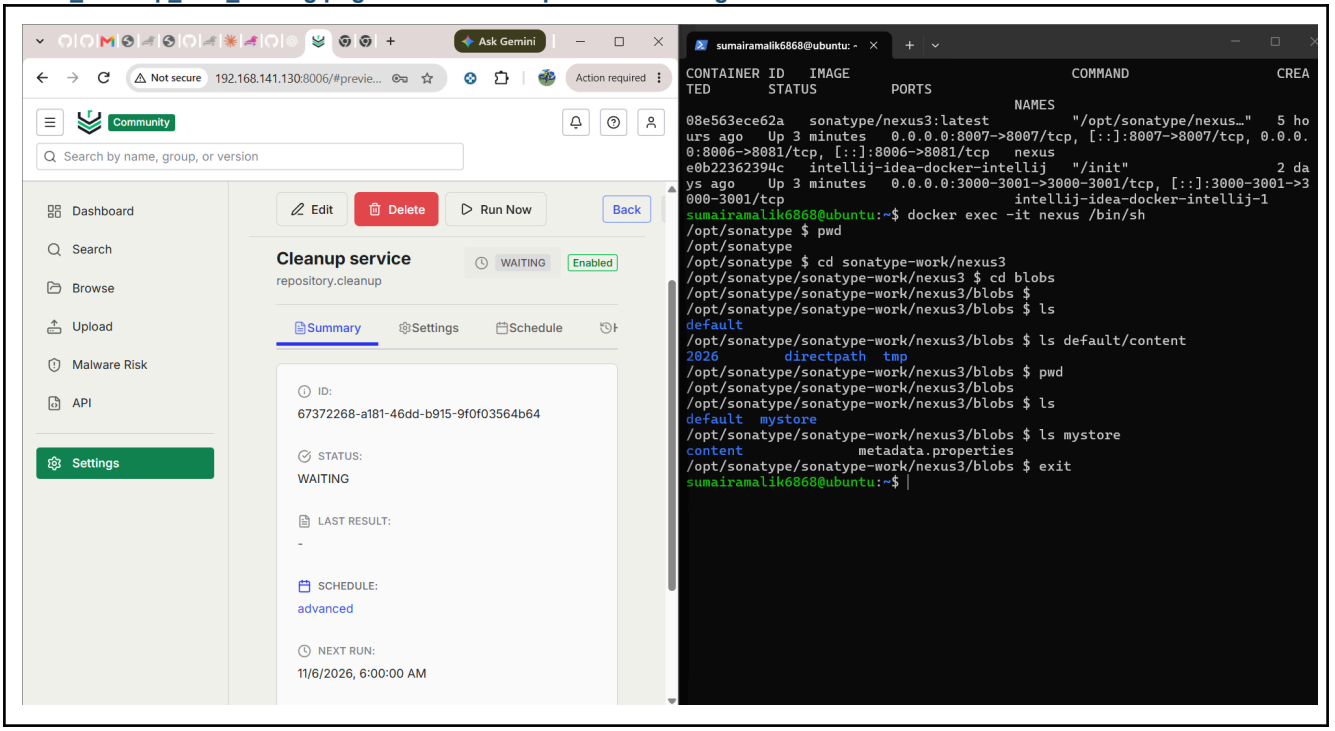

nexus_cleanup_policy_created.png — Show maven cleanup policy settings and populated preview.

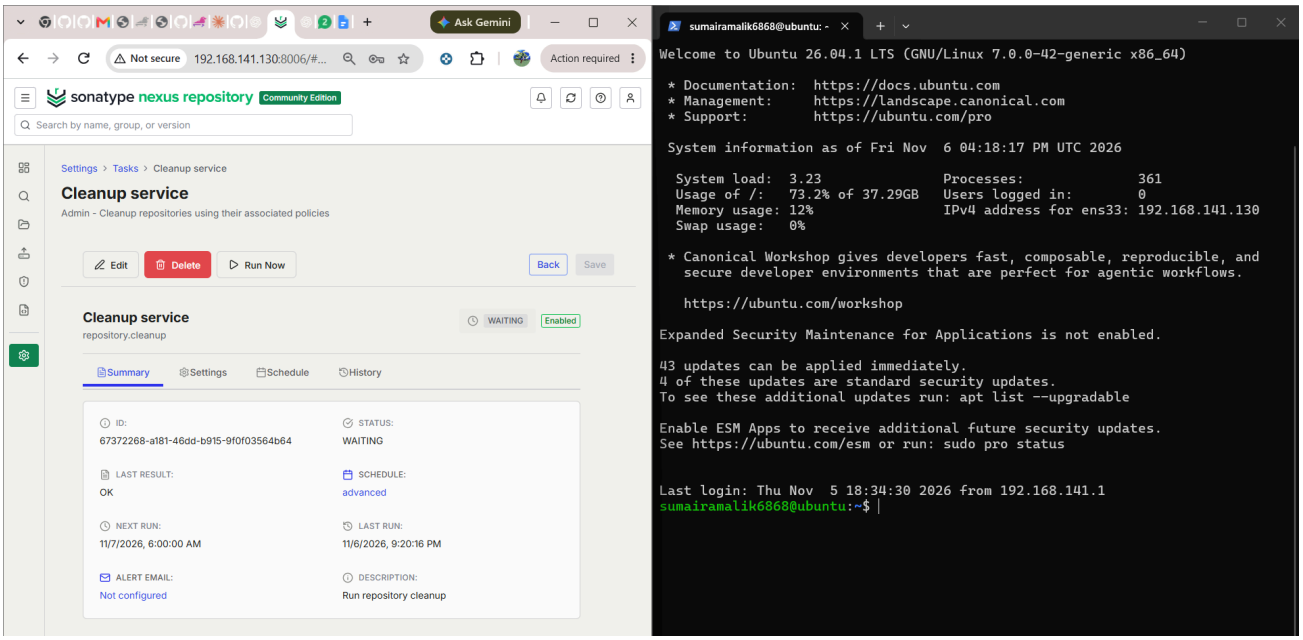

nexus_cleanup_policy_attached.png — Show maven policy in Applied list for maven-snapshots.

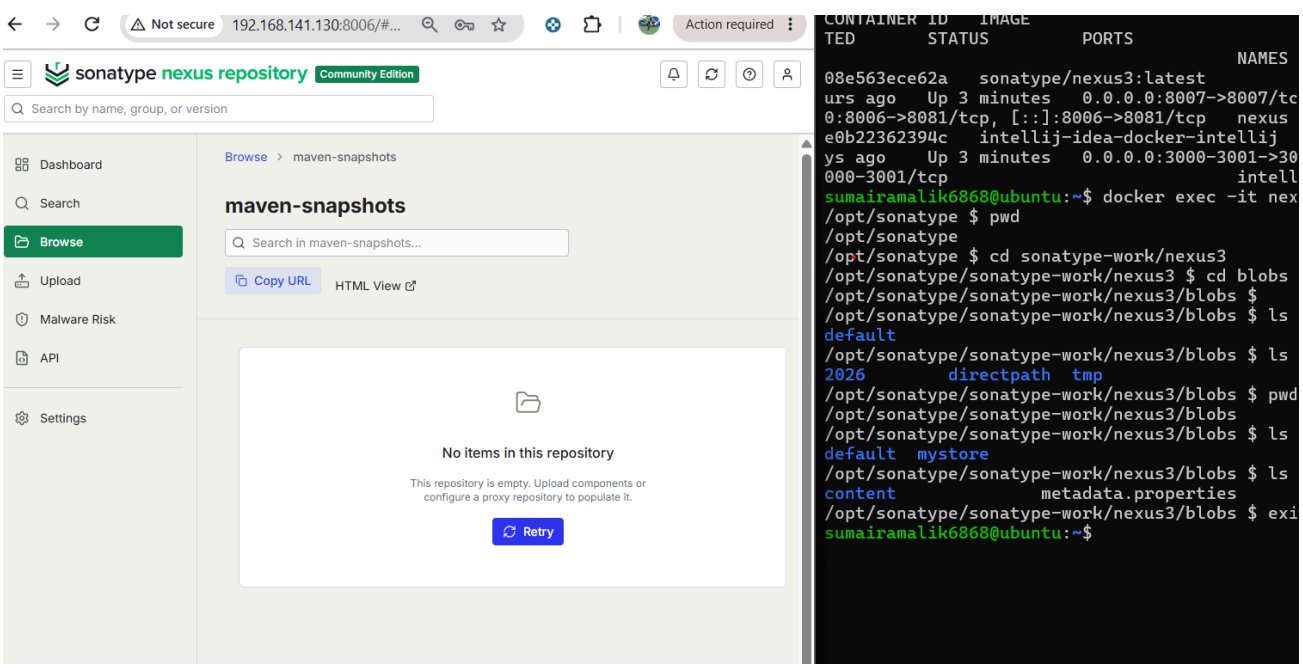

nexus_cleanup_task_waiting.png — Show Cleanup service Waiting and next run at 06:00.

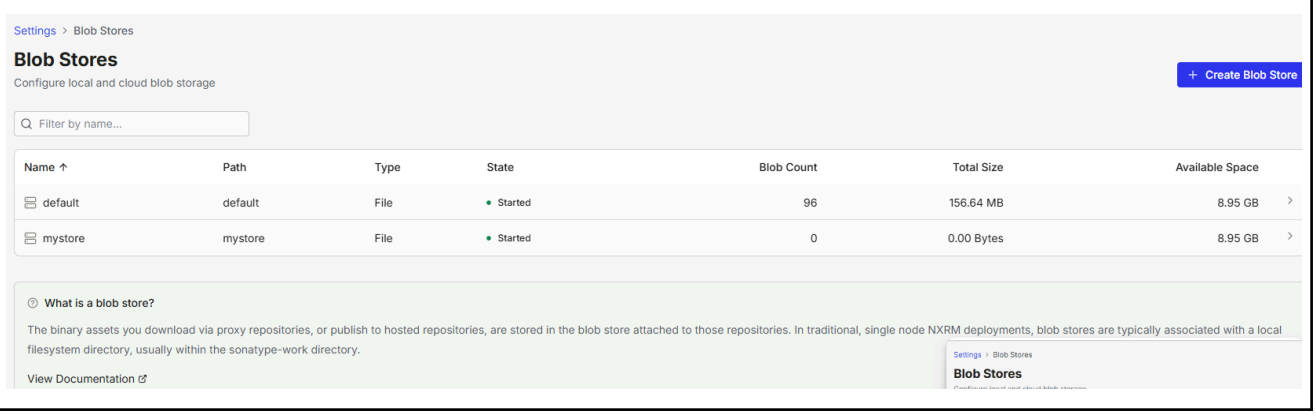

nexus_cleanup_task_completed.png — Show completed cleanup service with Last result Ok.

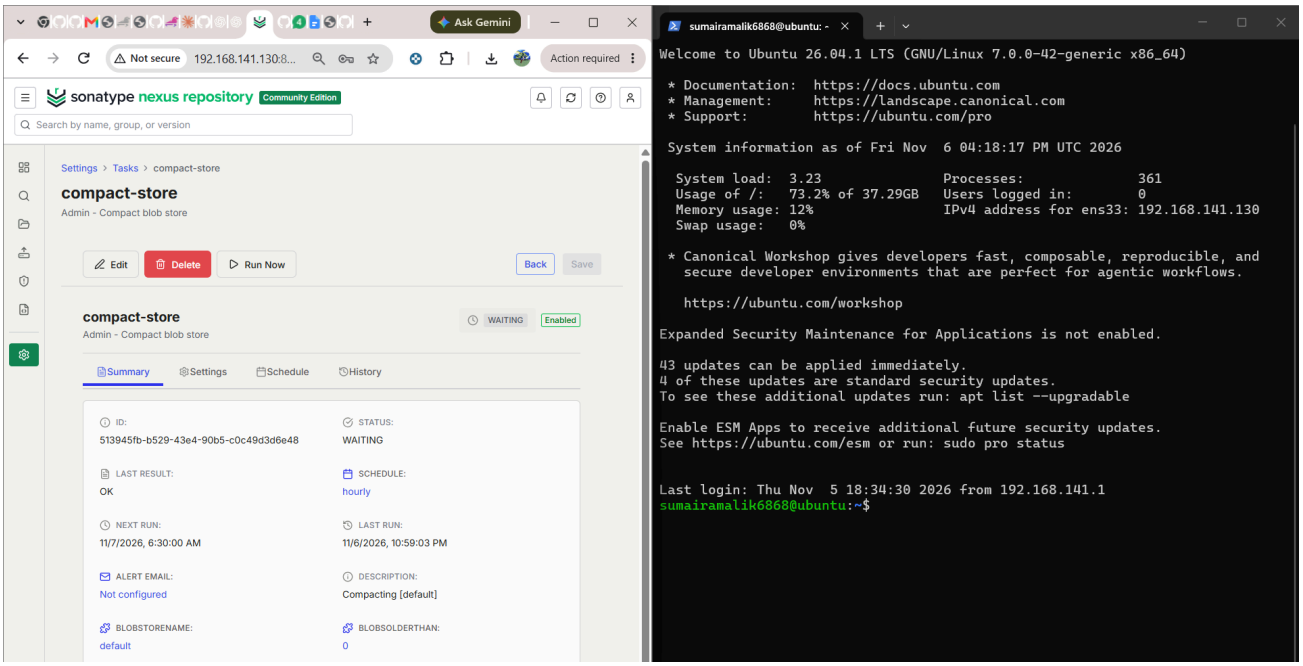

nexus_maven_snapshots_empty.png — Show maven-snapshots repository empty after cleanup.

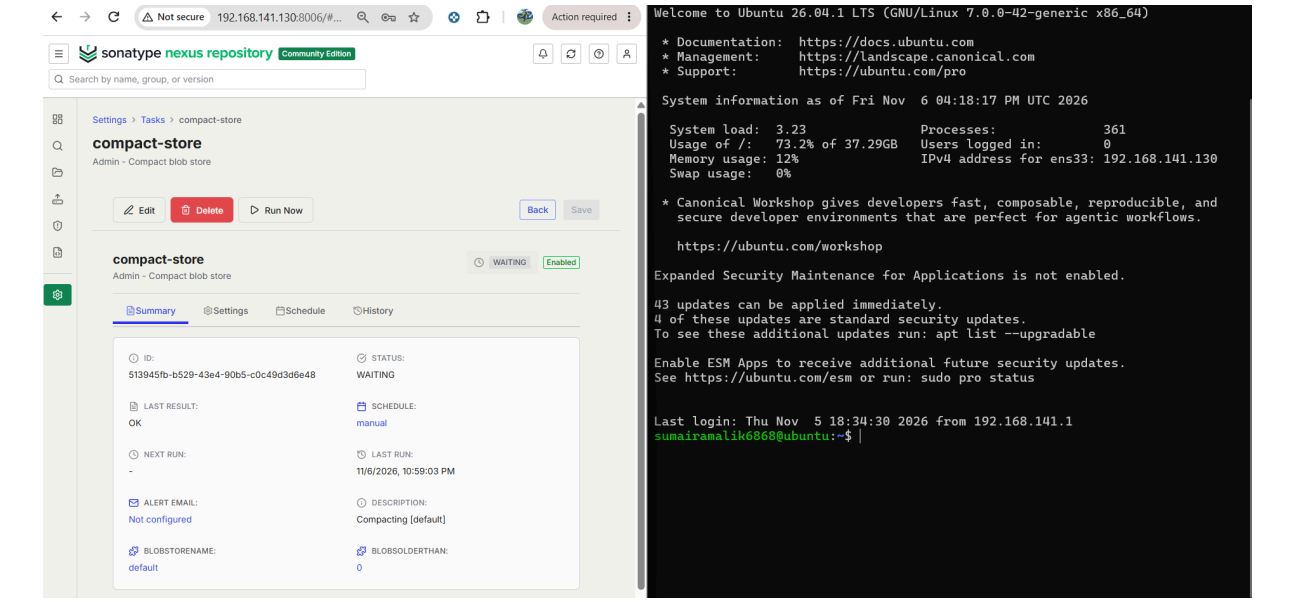

nexus_blob_store_before_compaction.png — Show default Blob Count, Used Size and Available Space before compaction.

nexus_compact_task_configured.png — Show saved compact-store task settings and daily 06:30 schedule.

nexus_compact_task_completed.png — Show compact-store task completed with Last result Ok.

nexus_blob_store_after_compaction.png — Show default Blob Count, Used Size and Available Space after compaction.
